PETITIONER'S SUPPORTING AFFIDAVIT

SARAH RIVAS GUNTER appeared in person before me today and stated under oath:

"My name is SARAH RIVAS GUNTER. I am above the age of eighteen years, and I am fully competent to make this affidavit. The facts stated in this affidavit are within my personal knowledge and are true and correct.

"I am the Petitioner in this case. There is no child born or adopted of this marriage, and none is expected. Respondent is David Keith Gunter, Jr.

"Respondent and I separated on or about May 16, 2011. Since this time I have learned that Respondent has moved to another home, with another woman, and does not plan on returning to our home. I have also learned that he is having an affair and claims that we were never married. As a result, Respondent refuses to pay the bills he has continuously paid since our marriage. Recently Respondent attempted to shut off utilities at our community home. Additionally, I believe Respondent has transferred community money into separate accounts, which I am unable to access. Due to the circumstances stated above, I have been forced to take on the community debt and bills by myself, as well as hold off on paying for daily needs, in order to meet community financial obligations. I have confronted him about our separation numerous times but he refuses to speak to me rationally and continues to lie about the situation.

"Additionally, Respondent told me that he carries me under his health insurance through his employment. If this is true, I wish to maintain my current health insurance through Respondent's employment while this case is pending.

"I pray the Court grant the requested Temporary Restraining Order immediately to enjoin Respondent from tampering with the parties' community property."
